2022 7th International Conference on Environmental Engineering and Sustainable Development

Naniind. China | Oct. 28-30. 2022

CALL FOR PAPERS

- Advanced physical and chemical treatment for water and wastewater
- Physio-chemical and bioremediation of hazardous substances in soils
- Biofuels generation from waste treatment
- Photocatalytic degradation of emerging pollutants
- Groundwater remediation and management
- Process modelling and development
- Hazardous substances risk assessment
- Industrial wastewater treatment
- Nanotechnology for environmental applications
- Regulatory practice, water quality objectives & standard setting, water quality classification

2022 7th International Conference on Environmental Engineering and Sustainable Development (CEEDS 2022) is organized by Asia Pacific Institute of Science and Engineering (APISE), and will be held in Nanjing, China from Oct. 28 to 30, 2022. The annual 2022 7th International Conference on Environmental Engineering and Sustainable Development (CEEDS 2022) addresses research issues in Environmental Engineering, Sustainable Development and applications. It is a leading forum for researchers, practitioners, developers, and users to explore cutting-edge ideas and to exchange techniques, tools, and experiences. We invite the submission of original research contributions.

PUBLICATION

Author can submit full paper to publish paper in the conference proceeding of CEESD 2022. all presented and registered papers will be included in the volume of **conference proceeding**, which will be submitted to **Engineering Village, Thomson Reuters (WoS)** and other databases for review and indexing.

*Conference proceeding will be online publishing.

Selected papers with great extension will be recommended to publish in

- 1) **Journal of Environmental Informatics Letters.**
Web of Journal: <http://jeiletters.org/index.php?journal=mys&page=index>
- 2) Special Issue "Environmental Engineering and Sustainable Development". A special issue of Water (IF 3.103, ISSN 2073-4441). This special issue belongs to the section "Water-Energy Nexus", which will be submitted to **SCIE, EI and Scopus** for review and indexing.
Website of Special issue: https://www.mdpi.com/journal/water/special_issues/CEEDS

IMPORTANT DATES-SECOND ROUND

Abstract Submission Deadline: June 25, 2022

Full paper Submission Deadline: June 30, 2022

Notification of Acceptance: July 30, 2022

Registration deadline: Aug. 30, 2022

Conference Dates: Oct. 28-30, 2022

There are totally two rounds' important dates.

SUBMISSION

In order to avoid repeated submission, please just choose one submission method. Please click following link
